

Booking Form Completion Instructions

Individuals and Families

Please send us the completed Booking and Payment form overleaf.

Group Bookings

If you are organising a group booking, you are all staying for the same period of time and you are paying for the whole group please send us just one Booking and Payment form.

If you are organising a group booking and paying for the whole group but all your party are not staying for the same number of nights please fill out a form for each length of stay.

If you are organising a group booking but you are not paying for the whole group we need a Booking and Payment form from each person who will be making a payment. Please ensure that the other members of your group put your name in the Group Leader box so we can track that we have all payments. As group organiser it is helpful if you collect all the completed forms and then send them to us all together.

If there are any questions please do not hesitate to call us on 1-877-311-7199 or 250-344-7199.

Many thanks
